PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

A secured storage area is located on the south edge of Simferopol (Figure 1). This installation is probably related to the military installations in the area.

The installation covers approximately 60 acres and consists of a secured storage area with 21 storage buildings and an unsecured

support area with 4 support buildings (Figures 2 and 3).

Comparative analysis of the area on [redacted]

[redacted] missions between [redacted]

[redacted] reveals no significant change.

A light level of activity is observed on all coverage.

DESCRIPTION OF INSTALLATION

Road Service

A secondary road provides access to city streets.

General Storage Area

Area E contains 21 storage buildings. The area is secured and surrounded by a probable firebreak.

Other Buildings and Facilities

Area H contains 4 support buildings.
